FLORIDA SEA BASE and GREATER TAMPA BAY AREA COUNCIL

DELIVER

# SEABADGE

## Leadership and Management Training

**Seabadge** is a weekend of intense leadership and management training focusing on the "HOW-TO" aspects of providing a successful, youth-led, Sea Scout program.

While **Seabadge** is an advance leadership training program for experienced Sea Scout adult leaders, the training course **is open to ALL Adult Scout Leaders**. Scouters who lead older Scout youth as Patrols, Crews, or Posts, or find they are dealing with older Scouts at any capacity will find this training course especially useful.

### Goals of the Seabadge Course:

- ❖ Encourage the development of contacts, and the sharing of resources between the course participants and course staff.
- ❖ Provide management and leadership skills, tools, and resources to the participants.
- ❖ Use the skills and tools acquired at **Seabadge** to improve the quality of the Sea Scout program.
- ❖ Improve motivational skills and gain an understanding of leadership and management alternatives in a youth-led program.
